### **First 300 Shot by an African American in the South:**

Gene H. Wilkins, 66, Littlerock, died April, 20, 2002. First black in the Southern United States to shoot a 300 in sanctioned play at Pike Lanes in North Little Rock in 1977. Was his first time to bowl league at Pike as the league moved from Pla Mor Lanes in Little Rock when it was destroyed a week earlier by an explosion and fire.
